DTS-PTD as a recipient of federal grant funds, is required to submit a Public Transit Title VI Program report to the Federal Transit Administration (FTA) every three years, the next one is due May 2016. Title VI legislation prohibits discrimination against race, color, or national origin, therefore FTA developed Title VI Program guidelines and requirements for transit agencies to follow in order to determine if their public transit services are provided in a non-discriminatory manner. All questions and comments will be included in the final report which will be submitted to FTA in May 2016. All interested persons are invited to express their views on this matter.

The proposed Title VI Program is available for review: DTS website at:
<http://www.honolulu.gov/dts/aboutus/publictransit/183-site-dts-cat/1883-thebus-non-discrimination-title-vi-policy.html>; or 2) copies can be emailed to any interested person who requests copies from DTS.
